2	Blasts at 7.30 a. m., no school.
2	Blasts at 7.30 p. m., Fire Dept. meeting.
1	Blast, water to be shut off in thirty minutes.

NOTICE

Brush fire, chimney fire, and all outside fire alarms are to be telephoned to the Alton operator, who will sound the proper alarm, and notify the proper authorities. This will be done by means of a control box now in the central office. State clearly the nature, extent and location of the fire. By complying with the above, much time and property may be saved.

INSTRUCTIONS FOR OPERATING A BOX

Opening a box does not give alarm; pull down handle. Anyone sounding alarm to remain at box to direct firemen. Second alarm to be sounded by order of the chief engineer only. Test alarm every day at 12.45 p. m. Do not sound alarm unless necessary.

HAROLD E. PRIME,
LEWIS E. HAYES,
BURTON M. HALE,

Fire Wards of Alton.

ALTON TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the town of Alton, in the county of Belknap, in said state, qualified to vote in town affairs:

You are hereby notified to meet at the Town House in said Alton, on Tuesday, the eighth day of March next, at nine o'clock in the forenoon, to act upon the following subjects:

Article 1. To see what sum of money the town will vote to raise and appropriate to pay all necessary charges of the town for the ensuing year.

Article 2. To see what sum of money the town will vote to raise and appropriate for the repairs of highways and bridges for the year ensuing, in addition to that required by law.

Article 3. To see if the town will vote to authorize the selectmen to borrow necessary monies in anticipation of taxes.

Article 4. To see what sum of money the town will vote to raise and appropriate for the decoration of soldiers' graves.

Article 5. To see what sum of money the town will vote to raise and appropriate for the maintenance of the public library, in addition to that required by law.

Article 6. To see if the town will vote to raise and appropriate the sum of \$195.00 to the Lakes Region Association of New Hampshire for the issuance and distribution of printed matter calling attention to the resources and natural advantages of the town, in cooperation with other towns in the Lakes Region. (By request).

Article 7. To see if the town will vote to raise and appropriate the sum of \$661.39, provided that the state will contribute \$2,645.86, for Class V roads, so called.

Article 8. To see if the town will vote to raise and appropriate the sum of \$1,000.00 for the purchase of a truck to be used for highway purposes, at the direction of the selectmen.

Article 9. To see if the town will vote to close the Ham road, so called, during the winter months.

- Article 10. To see if the town will vote to raise and appropriate a sum of money, not to exceed \$1,000.00, to be expended for winter sports, and that the selectmen be instructed to appoint a committee of three to expend the same. (By request).
- Article 11. To see what sum of money the town will vote to raise and appropriate for the aid of the Huggins hospital at Wolfeboro. (By request).
- Article 12. To see what sum of money the town will vote to raise and appropriate for the aid of the Laconia hospital. (By request).
- Article 13. To see if the town will vote to raise and appropriate the sum of \$200.00 to be expended, under state supervision, for the control of the white pine blister rust. (By request).
- Article 14. To see if the town will vote to raise and appropriate the sum of \$100.00 for the control of brown tail and gypsy moths, in cooperation with the State Forestry and Recreation Department. (By request).
- Article 15. To see if the town will vote to raise and appropriate the sum of \$1,000.00 to gravel and tar one mile of the Mountain road, so called, starting at the point where the gravel and tar left off last year, continuing towards the house of Albert D. Morse. (By petition).
- Article 16. To see what action the town will take relative to the completion of the new water supply.
- Article 17. To hear the reports of agents, auditors, committees, or officers heretofore chosen, and pass any vote relating thereto.
- Article 18. To choose all necessary town officers for the ensuing year, to elect one selectman for three years, one library trustee, one trustee of trust funds, one water commissioner for the ensuing three years, and one delegate to the constitutional convention.
- Given under our hands and seal this 21st day of February, 1938.

CHESTER W. LITTLEFIELD,
OLIVER M. COLBY,
LEON T. DODGE,

Selectmen of Alton.

Part VII. School Calendar for 1938-39	63
Part VIII. Definition of Official Ballot	63
Part IX. Warrant for District Meeting	64

PART I

ADMINISTRATION AND ORGANIZATION

(a) High School Pupil Records

Duplicates of the records of pupils now in High School are kept in the superintendent's office. As soon as the marks are recorded on the forms in the headmaster's office they are sent to the superintendent's office to be copied onto forms kept there. This plan serves two important purposes: (1) it safeguards the records against loss by fire, and (2) it enables the superintendent to have at hand for reference a record of each individual pupil.

(b) Reorganization of Supervisory Union

The cut by the 1937 legislature in the appropriation for the salaries of superintendents from \$106,000 to \$100,000 compelled the state board of education to reduce the number of superintendents and assistant superintendents from fifty-three to fifty. In order to do this several of the supervisory unions of the state were reorganized to absorb the dissolution of two unions. One assistant superintendency, that of Concord, was discontinued and the two unions dissolved were Plymouth and Wolfeboro. Wolfeboro and Tuftonboro are now in the Pittsfield union which now consists of the school districts of Pittsfield, Wolfeboro, Alton, Barnstead, New Durham and Tuftonboro, and is one of the largest in the state. About 1,325 pupils are enrolled in the schools of the union and are under the immediate guidance of fifty-eight teachers and three school nurses.

PART II

INSTRUCTION

(a) Teachers

There were no changes in the list of teachers during the school year but at the end of the year three vacancies occurred. The following is a list of the teachers for the present school year:

Teacher	Position	Salary	Enrollment
Edgar B. Bruce	Headmaster	\$2,000.00	82
Donald H. McLeod	Agriculture	1,650.00	
Agnes M. Thompson	Languages	1,365.00	
A. Isabel Twombly	Eng. & Hist.	1,100.00	
Elizabeth E. Frederick	Domestic Arts	1,000.00	
Ruth E. Pollard	Grades 7 & 8	900.00	23
Dorothy M. Douglass	Grades 5 & 6	950.00	48
Caroline R. Brunel	Grades 3 & 4	900.00	20
Alma L. Lakeman	Grades 1 & 2	900.00	18
Harriet Seavey	Bay, Grades 1-4	900.00	21
Annie A. Wheeler	Music	400.00	
Total present enrollment			212

(b) Text Books

The textbook needs stated in the report last year have been largely taken care of but the increases in enrollments in several of the grades have made it necessary to use considerable of the budget money for books for these additional pupils. In the elementary grades the following adoptions have been made: art appreciation extension readers for grades one, two and three; language books for grades three, four, five and six; music books for grades four, five and six; social science extension readers for grades one, two and three; and spelling books for grades two to eight. In the high school the old textbooks in the economics class and in the biology class have had to be replaced by new books, and new composition books for the junior and senior English class have been adopted. The urgent need for some new dictionaries is still unmet.

A committee of teachers has been working for some time on the selection of a suitable series of textbooks in health for grades four, five and six but it is doubtful if the budget will permit the purchase of these books this year.

(c) Eighth Grade Tests

Standardized general achievement tests were given last May to all eighth grade pupils in the supervisory union. Of the 121 taking the tests, 44 equaled or exceeded the standard score. These 44 pupils were distributed as follows: Pittsfield 16 (out of 32 pupils), Alton 9 (out of 21), Barnstead 7 (out of 14), Farmington 12 (out of 48), and New Durham 0 (out of 6). The median

score was 8.4, four months along in the eighth grade. This was four months below standard. The Pittsfield median was 8.8, exactly standard; the Alton median was 8.7, one month below standard; the Barnstead median was 9.0, two months above standard; Farmington 8.2, six months below standard, and New Durham 6.8, two years below standard. Twenty-eight of the 121 pupils showed achievement equal to or better than normal freshman in high school (score 9.8 or better), forty showed achievement not above normal seventh graders (score 7.8 or less), 8 were two years above standard (10.8 or better), 20 were two years below (6.8 or less), 2 were three years above (11.8 or better), and 4 were three years below (5.8 or less). One pupil, nearly sixteen years old, showed he had reached only the middle of the fourth grade in scholastic achievement.

PART III FINANCE

(a) Annual Report of District Treasurer

Fiscal Year Ending June 30, 1937

Cash on hand June 30, 1936	
(Treasurer's bank balance)	\$56.75
Received from selectmen	
Appropriations for current year	\$20,082.83
Dog tax	278.48
Received from state treasurer	
(State or Federal aid)	784.19
Received from all other sources	1,561.13
	\$22,649.88
Total amount available for fiscal	
year (State or Federal aid)	\$22,706.63
Less school board orders paid	22,483.29
Balance on hand as of June 30, 1937	
(Treasurer's bank balance)	\$223.34

AUDITORS' CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Alton, of which the above is a true summary for the fiscal year ending June 30, 1937, and find them correct in all respects.

RAYMOND C. DUNCAN,
LEWIS E. HAYES,

July 13, 1937.

Auditors.

LEWIS E. HAYES,

July 13, 1937

Auditors.

(c) School Board's Estimate for 1938-39

School board's statement of amounts required to support public schools and meet other statutory obligations of the district for the fiscal year beginning July 1, 1938.

DETAILED STATEMENT OF EXPENDITURES

	High School	Elementary Schools
Support of schools:		
Teachers' salaries	\$7,260.00	\$5,170.00
Textbooks	235.00	300.00
Scholars' supplies	375.00	350.00
Flags and appurtenances	5.00	10.00
Other expenses of in- struction	150.00	50.00
Janitor service	400.00	600.00
Fuel	245.00	325.00
Water, light, janitors' supplies	175.00	200.00
Minor repairs and ex- penses	50.00	700.00
Health supervision	50.00	250.00
Transportation of pupils	300.00	4,340.00
Other special activities	100.00	175.00
	\$9,345.00	\$12,470.00
		\$21,815.00

Other statutory requirements:

Salaries of district officers	\$153.00
Truant officer and school census	35.00
Superintendent's excess salary	400.00
Per capita tax (state wide supervision)	454.00
Other obligations	338.00

 \$1,380.00

 Total amount required to meet
 school board's budget

 \$23,195.00

ESTIMATED INCOME OF DISTRICT

Balance June 30, 1938 (Estimated)	\$400.00
Federal aid	900.00
Dog licenses	200.00
High school tuition receipts	1,950.00

Total estimated income

(Not raised by taxation)

 \$3,450.00

 Assessment required to balance
 school board's budget

 \$19,745.00

 Special appropriations proposed
 (Articles in Warrant)

Alterations of old buildings	\$4,000.00
New equipment	200.00

 \$4,200.00

 Total assessment required to cover
 budget and appropriations

 \$23,945.00

PART IV

THE SCHOOL PLANT

Three major improvements in the school plant have been made during the past year: (1) standardization of the natural lighting in the main room of the high school building, (2) the moving of the fire escape to a more suitable location, and (3) the building of a small office in the upper front hall.

A careful inspection of the steam boiler at the Central school caused by a discovery of a leak in it soon after the Christmas holidays has finally resulted in the conclusion it is too old to make repairing advisable. There is, therefore, an article in the warrant to provide for the installation of a new heating plant. It is prob-

able that most of the radiators and some of the piping can be used but the boiler and most of the piping probably should go on the scrap heap. A new heating plant should heat the building much more satisfactorily and more economically.

Other improvements that should receive attention as soon as possible are (1) the installation in the first and second grade room of the windows removed from the main room last summer, and (2) the replacement of the old spine-twisting, tip-seat type desk by modern movable furniture.

PART V

CHILD ACCOUNTING AND STATISTICS

(a) Promotion to High School

The following eighteen pupils, as compared with twenty-eight last year, were promoted to high school in June, 1937: Donald Alden, Ellen Barr, Calvin Batchelder, Bertha Berry, Glenna Blakeney, Erla Davis, Richard Downing, Jane Gault, Wesley Gleason, Georgia Goertz, Ronald Gray, Wilhelmina Hanscom, Doris Pratt, Clarence Rollins, Fona Rollins, Stanley Sanborn, Virginia Wilson, Charlotte Woodworth. All but two of these eighteen pupils entered Alton high school last September, and those two moved from town.

(b) Roll of Honor for Attendance

The following two pupils, compared with seven for 1935-36, seven for 1934-35, four for 1933-34 and seventeen for 1932-33, were neither absent nor tardy during the school year ending June 30, 1937: (2) Robert Carr, and Barbara Palmer.

A figure before a pupil's name denotes the number of consecutive years he has had perfect attendance.

(c) Statistics for the Year Ending June 30, 1937

	High	Elem.	Total
Number of pupils registered	83	166	249
Average number of half-days schools were in session * (352.70)	350	349.2	* 349.33

Average membership	73.47	139.69	213.16
Average attendance	69.74	130.62	200.36
Aggregate number half-days all pupils were in school	24408	45612	70020
Per cent of attendance (94.74)	94.98	93.51	94
Average number of half days each pupil was in school (334.15)	333.22	326.52	328.49
Pupils not absent nor tardy	1	1	2
Per cent of all pupils not absent nor tardy (8.4)	1.36	.72	.94
Cases of tardiness	147	268	415
Average number of tardinesses per pupil (.91)	2	1.92	1.95

PART VI

AUXILIARY AGENCIES AND SPECIAL REPORTS

(a) Report of Headmaster

Mr. Lester B. Badger,
Superintendent of Schools,
Alton, New Hampshire,
Dear Mr. Badger:

On June 17, 1937, nine seniors were graduated from Alton High School. A list of these students follows and a notation of their pursuits chosen in the fall of the same year:

Elizabeth Boyd	Mt. Holyoke
Arlene Cassier	Clerk, N. E. T. & T.
Haven Clark	Truck Driver
Roswell Dore	Mechanic
Janet Goertz	University of New Hampshire
Ella Goodwin	University of New Hampshire
Fred Hills Grove	Farming
Doris Kimball	

Student Nurse, Wentworth Hospital, Dover
Mabel Wentworth

Student in Hairdressing School, Concord

The percentage of graduates who continue in school is still noticeably high as compared to the state average. For the past three years over fifty per cent of the high school graduates in Alton have gone further in their pursuit of learning.

AGRICULTURE

The activities of the Agricultural work have been capably handled under the guidance of Mr. D. H. McLeod, who joined the faculty last fall. Under his supervision, the students in this course attended the annual judging contest at Durham last fall where they competed against seventeen (17) other high schools of the state. Although the boys did not win many first places they

did win the most coveted award, the sweepstake prize. This prize indicates that the Alton students displayed a well-balanced group and their ability to judge was nearly equal in all departments of the contest. We should all be proud of our boys and make due recognition whenever possible. The Future Farmers of America Club, made up particularly of those boys in this course, is functioning again this year with renewed spirit and zest.

HOME ECONOMICS

In this department we welcomed a new teacher last fall, Miss Elizabeth Frederick of Voorheesville, N. Y. During the past fall, Miss Frederick sponsored two exhibitions, one of the grade work and the other of the high school work in this department. Both exhibits were well planned and displayed a high type of work being accomplished in this course. The public received these displays with high praise for the teacher and her pupils.

The Domestic Arts Club, which is composed of girls in this course, has carried on a program of instruction the nature of which is not included in the course of study in this department. Topics such as cosmetics, hairdressing, etc., are discussed during meetings of this club.

MUSIC

The course of study as adopted by the Alton school board for this school year of 1937-38 has provided for pupils electing this subject to receive more point credit. This year for the first time, music was made an elective course, thereby weeding out those who had no specific desire to spend time in music classes but were compelled to by school requirements.

Glee Club, chorus, and orchestra provide ample opportunity for the pupils in the high school to give expression to their musical inclinations. The greatest difficulty to be encountered at the present time by these groups and the instructor, Miss Wheeler, is the decided lack of suitable music which should be purchased as soon as possible.

Opportunity for pupils in either the high or grade school to receive private instruction on some musical instruments has been made possible this year. Pupils in the school who are already quite proficient on some instrument are helping others with the simple elements. Time is provided for this instruction during the school day, the only requirement being that those receiving this help must be doing satisfactory scholastic work.

SPORTS

Although athletics were suspended last year, the program of sports was revived with a great abundance of enthusiasm this year. During the past fall a league was formed among the boys in the school and a series of games was played. About thirty-eight boys participated. The girls' activities for the fall were organized under the guidance of Miss Twombly. Badminton, volleyball and ring tennis were enjoyed by those girls desiring physical activity.

During this winter, basketball and winter sports have held the center of interest. Twenty-nine (29) boys answered the call for basketball players, eighteen of which have been faithful in practice during the season. Fifty-three grade and high school pupils have formed the nucleus of the Winter Sports team and have met with remarkable success.

For the second successive year the teachers in Alton, both grade and high school, sponsored the Alton Winter Carnival. The proceeds of the carnival are the chief source of revenue and practically finance the entire sports program in the school.

This spring the boys will follow their desire for sports by organizing a baseball team to represent the school. However, the problem at present is activity for the girls. The budget does not allow for expenditure of a great deal of money and inasmuch as equipment is on hand for baseball it makes it easy to provide baseball for the boys. It would be a great aid to girls' activity if some means of providing field hockey equipment could be found.

It is my desire and intention while directing the sports activities of this school that as many pupils as possible shall participate in some form of sports and not a program designed for the favored few.

OTHER ACTIVITIES

Rhetoricals have been required of each pupil this year as in past years. Already the Seniors, Juniors and Sophomores have given public performances. The Freshman class will have completed their requirement by the time this report goes to print.

The health conditions of the school will be reported by Miss Laugille and no further space is necessary in this report.

The lighting conditions in the main room have been greatly improved by the addition of more windows. Needless to say the office which was provided for the school at the time of the window installation has been and will be greatly appreciated by those using such.

Fire drills have been held at least once in two or three week periods. The time requirement to unload the building of two hundred and five pupils has been clocked as high as forty-seven seconds and as low as thirty-one.

This report has been written to scan the general activities as carried on in this school. A report of this nature cannot successfully depict the total school life. If it were possible, it would be ever so much more satisfactory for parents and friends of the school to call at the school and spend sufficient time in classes and conferences with the teachers. To improve our scholastic tone there is a great need for everyone to take the problem of our schools more to heart and spend time thinking and planning toward reaching certain objectives. I trust more citizens of the town in the future will feel a friendliness toward the school and show their interest by visiting and discussing the school with the teachers and myself.

ENROLLMENT

Classes	Sr.	Jr.	Soph.	Fr.	P. G.
Girls	6	5	14	10	1
Boys	7	8	14	19	
Courses	Agri.	College	Home Ec.	General	
Girls		15		6	
Boys	17	10	15	20	

In conclusion, I wish to thank you and the School Board for your continued cooperation and support. I trust that during the past year the school has shown the improvement desired by you, the School Board, and the citizens of Alton.

Respectfully submitted,

E. B. BRUCE.

(b) Report of School Nurse

The general health of the Alton school children has been unusually good since the epidemic of measles last winter with the record broken only by the few cases of chicken-pox which appeared just after school closed in June.

One of the most forward looking steps in the interest of the health of the school children was taken by the voters of Alton when they included provisions for

hot lunches during the cold months in the annual budget. An unusually large percentage of the school children of Alton are compelled to bring lunches because of the centralized school system in this, the third largest town in area in New Hampshire, making the hot lunch problem one of the most difficult ones for the school authorities. This happy solution will have very far-reaching effects on the health of the children, as well as the quality of school work done by the children thus benefited, at the same time providing practical experience in preparing lunches for the Home Economics girls.

Through clinics, as well as privately, many children have had physical defects corrected. The necessity of this work is being appreciated by more parents each year. Most of the worst cases of very bad tonsils have received attention, although there are still several children in a dangerous condition, just ready for the additional infection needed to start complications as was recently demonstrated by the serious illness of a primary school child with neglected tonsils. Dr. Tuttle has been most cooperative in getting these defects corrected.

A large percentage of the children needing glasses have been fitted, making it possible to do the required school work with as little damage to the weakened eye as possible.

The greatest need at the present time is a school dental clinic. Only 23 per cent of the children with bad teeth received dental attention last year. It is not practical to try to organize a school dental clinic without any sponsor as was demonstrated very forcefully two years ago. If enough public interest could be found to sponsor such a clinic, the Alton children could benefit very greatly by school dental clinic service.

With the help of the State Board of Health, and at Dr. Tuttle's request, a diphtheria prevention clinic was offered and about forty per cent of the school children of Alton are now protected from diphtheria by a Toxoid inoculation. This number of immune children will do a great deal toward protecting the town from a diphtheria epidemic so that the 60 per cent of unprotected children will be less likely to be exposed in Alton.

Following will be found a statistical report of health work done in the Alton schools last year:

Visits to schools	203
Visits to homes	445
Total visits	648
Days spent	36.4
Days due	36

Pupils examined	217
Defects found	240—1.1 per pupil
Defects corrected	96—44% of defects
Without defect	103—47% of pupils

I wish at this time to thank parents, teachers, and school officials for their kind cooperation with the school health program.

Respectfully submitted,
RUTH S. LANGILLE, R. N.

(c) Transportation

The following is a schedule of the transportation for the present year:

Transporter	Mileage One Way	Number Carried	Contract	Extra for H.S. Pupils
Arthur I. Martin	8.3 mi.	13	\$950.00	\$95.00
Frank Young	11. mi.	28	1,100.00	110.00
Russell M. Miller	7.3 mi.	11	950.00	36.00
Alphonse Tanguay	4. mi.	16	500.00	50.00
Roy E. Read	3. mi.	2	200.00	
Charles H. Glidden	5.7 mi.	6	640.00	14.00
Totals		76	\$4,340.00	\$305.00

PART VII SCHOOL CALENDAR FOR 1938-39

1938

September 5—Labor Day.

September 6—Schools open.

October 20-21—N. H. State Teachers' Convention at Concord. (Teachers may attend.)

November 7-13—Education Week.

November 11—Armistice Day—Schools closed.

November 24-27—Thanksgiving Recess—Schools closed.

December 16—Schools close for Christmas Recess.

1939

January 3—Schools open.

February 17—Schools close.

February 27—Schools open.

April 21—Schools close.

May 1 Schools open.

May ?—Teachers' Institute. (Teachers may attend.)

May 30—Memorial Day—Schools closed.

June 16—Schools close.

179 days (including Convention and Institute days.)

PART VIII DEFINITION OF OFFICIAL BALLOT

The official ballot for the 1938 annual school district meeting shall be white paper, one and one-half by four inches in size.

PART IX**WARRANT FOR DISTRICT MEETING****STATE OF NEW HAMPSHIRE**

To the inhabitants of the school district in the town of Alton qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the twelfth day of March, 1938, at one-thirty o'clock in the afternoon to act upon the following subjects:

Article 1. To choose a moderator for the coming year.

Article 2. To choose a clerk for the ensuing year.

Article 3. To choose a member of the school board for the ensuing three years.

Article 4. To choose a treasurer for the ensuing year.

Article 5. To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agents of the district.

Article 6. To hear the reports of agents, auditors, committees, or officers heretofore chosen, and pass any vote relating thereto.

Article 7. To choose agents, auditors and committees in relation to any subject embraced in this warrant.

Article 8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

Article 9. To see if the district will vote to raise and appropriate the sum of \$200.00 for the purchase of new equipment.

Article 10. To see if the district will vote to raise and appropriate the sum of \$1,000.00 for the purchase and installation of a new heating plant.

Article 11. To transact any other business that may legally come before said meeting.

Given under our hands at said Alton this fourteenth day of February, 1938.

ANNIE C. SANBORN,

HARRY E. JONES,

OLIVER R. SHATTUCK,

School Board.
